Troubleshooting & Problem Solving

MY PROCESS:

- Research official app Forums & latest changelogs
- ChatGPT & AI-assisted solutions
- Check Compatibility Issues
- Media Cache Clearing & Disk Space Optimization
- Work until the solution is found

THINGS I HAVE ENCOUNTERED & REMEDIED:

**BAD WI-FI/ROUTER
INTERNET PROBLEMS**

**REINSTALL OPERATING SYSTEM
OR APPLICATION**

CHALLENGES EXCITE ME:

- I enjoy tackling difficult tasks and finding solutions
- This is where new skills are honed/improved
- I accomplish more
